OVERVIEW

Students who have completed an Automotive Mechanical Certificate III, or can demonstrate equivalent competency, are invited to enrol in our Certificate IV in Automotive Mechanical Diagnosis. This course gives you the thorough training to allow you to confidently graduate with the skills to begin a career in roles such

as automotive lead, master technician, and automotive technical advisor. During your 36-week course at our fully-operational workshop, you will be given advanced training in the diagnostic and technical skills needed to perform in an automotive retail, service, and repair environment.

ENTRY REQUIREMENTS

Students need to be 15 years old and are required to have reading, writing and comprehension skills equivalent to Year 10 pass level to successfully complete the Certificate level courses.

Overseas students English Proficiency Level will be tested prior to the commencement of Vocational Education and Training Courses. Imagine Education Australia requires an IELTS 5.5 with no band less than 5, or equivalent (as determined by Imagine Education Australia).

Should you feel you may not possess these literacy skills or have not completed a formal leaving certificate please contact us to discuss support arrangements.
